

# CLAY PRICES

## Made With Pride in Portland, Oregon

Our clays are made in our Portland plant with the finest raw materials from all over the country, with our special attention to the needs and desires of clay artists in the Northwest. If there's any one thing we've learned in 30 years of making clay, it's that things change! We monitor our materials to stay ahead of changes to the best of our ability, and we also do extensive testing of each batch of clay or glaze that we make.
