\* Prices are for kilns with standard single-phase wiring. Other power or wiring configurations or other options may change the prices.

See [georgies.com/skutt](http://georgies.com/skutt) for more information

## Do You Fire Glass?

We also offer Skutt's full line of glass kilns. We've listed just a few of the most popular "starter" glass and multi-purpose kilns below, but visit our website or call us for more information on Skutt glass kilns. Visit our website ([www.georgies.com](http://www.georgies.com)) to see all of the glass kilns that we offer, including production and clamshell styles.

### FIREBOX:

When you are working with smaller pieces, you can go ahead and fire fast. Fusing temperature within 20 minutes. (Manual control)

### FIREBOX8-GMLT:

This kiln has all the speed of the Firebox with the added precision of the GlassMaster LT Controller

### FIREBOX8X6LT:

A true home multi-purpose kiln that will reach cone 6. Fire clay, metal, glass, or ceramics!

### HOTSTART:

The perfect home fusing kiln, with GlassMaster LT controller.

### GM10FB:

This is not only a great little bead kiln, but also for glass fusing and metal clay. Post up to three 8x9" shelves for multi-level firing!
