

GLECO SINK TRAPS

Gleco traps offer an easy, clean, cost-effective solution to clay and glaze materials going down the drain. The Gleco Trap fits easily to most existing metal or plastic plumbing, and meets uniform plumbing code requirements in every municipality in the US and Canada. As you clean tools or container, clay and other heavy sediments settle into the catch jar, while water overflows the jar and continues down the drain. When the catch jar fills up, just unscrew it and put on another one. It's that easy to avoid expensive clogged drains -- and it's a must for environmentally conscious artists. The Gleco Trap comes with all the necessary parts, and all three sizes of replacement bottles share the same fittings.

- GT19 19oz Capacity \$125.00
- GT43 43oz Capacity \$125.00
- GT64 64oz Capacity \$125.00
- GTB19 19oz Repl Bottle \$8.50
- GTB43 43oz Repl Bottle \$8.50
- GTB64 64oz Repl Bottle \$8.50
- GTO Replacement O Rings \$3.00

Measure twice. Install it once. Use it LOTS.

When choosing what size to buy for your Gleco Trap, the only limitation is the space available under your sink. The plumbing under your sink may not exactly match the diagram below, but you'll almost always find a pipe down from your sink into a U-shaped joint called the P Trap. After the P Trap, an elbow joint turns the pipe so it runs horizontally into the wall. Measure the space between the floor and the center of the horizontal pipe right after the P trap. That measurement tells you how much space is available for the Gleco Trap.

Bottle Ounces	Minimum Space	Recommended Space
19oz	11-1/2"	13"
43oz	13"	14-1/2"
64oz	15-1/2"	17"

NOTE: If you work with plaster or other substances that harden in water, like some glaze materials, it is necessary that you dispose of the bottle when you change it instead of emptying it to reuse.

WARE CARTS

Laguna Ware Carts - Special Order only

Laguna's sturdy cart features all-steel construction and 4" hard rubber casters, with a convenient 18-shelf capacity. Measuring 24x38x58 inches, the cart assembles easily, and can be shipped UPS. Package includes six 12x36x3/4" exterior-grade plywood shelves. Additional shelves can be purchased separately.

- LE101.....Laguna Cart.....\$325.00
- LE101SExtra Shelf (each)..... \$7.95

Brent Ware Cart - Special Order only

Designed for stability with each side constructed from a single bent piece of heavy-walled 1" steel pipe, with welded steel shelf supports. Heavy-duty clamps connect the sides at top and bottom with three 1" steel pipes. Comes with 4" caster wheels. The base price includes a cover, but shelves are sold separately.

- RBCART77x24x32"\$610.00
