GLW57Dusty Blue	\$8.00	\$18.00	\$90.00	\$180.00

The secret of truly successful glazing at cone 6 is INTERACTION. It's not about the clay alone or the glaze alone, but how the clay interacts with the glaze -- and how the glazes interact with each other. What do you get when you put them together?

georgies.com/projects
 For technique sheets, glaze combinations & more

• recommended for glaze combination overlaps

Item numbers in red are not dinnerware-safe

Glaze sample sets offer full palettes for trying color combinations!

GLW99 • \$206.53

4oz each of all 42 Sculptural/Textural glazes: retail value \$375.50
