PG601 Perfect White* •

Glossy, opaque. A stable white glaze to use as a base, a liner, or an overlap with other glazes.

PG602 Incredible Black* •

Glossy, opaque mottled black with a wide range of uses. By itself, the blue, khaki and warm brown breaking hues bounce from a black field. Creates unique combinations with most glazes in our line.

PG607 Nassau Blue* •

Glossy, opaque. A mottled medium to light blue that offers great interest by itself or plays well with others.

PG608 Cobalt Blue* •

Glossy, semi-opaque. A bright, true cobalt blue with hints of mottling when applied thicker.

PG614 Grass Green* •

Glossy, semi-transparent. One of our most popular, this pale green develops icy blue flecks when thicker.

PG615 Celadon Green •

Glossy, semi-transparent. A warm blue-grey-green that rewards your artistry with the richness of a true celadon. Frosty blue flecks may appear where thicker or where glaze pools. Not available in dry.

PG616 Buckwheat* •

Glossy, opaque. A fun color by itself or in combination. Warm cream color with breaking tones of browns that border on purple. Edges break to golden tones.
