

## CELADON - pints for \$22.00 ea

These transparent gloss glazes highlight surface texture and bring out the color of the clay underneath. All colors are dinnerware safe and are formulated to be mixable! Use Mixing Clear as a clear or to dilute glaze colors. We only stock C1, C10 & C11 in gallons, all others are special order.

Amaco Celadon glazes are designed for mixing!

\*Restricted from use by children under 13. Adults follow cautionary labels.

## SHINO - pints for \$22.00 ea

These glazes yield wonderfully varied colors based on application thickness. Light application favors the warm rust base, heavier application favors their opaque coloration. Textured surfaces enhance this effect. These glazes are formulated to be 100% mixable for color and finish.
